¿Bienvenido!
Pronto disfrutará las ventajas de energía limpia y renovable con tarifas competitivas! Clean Power Alliance es su nuevo proveedor de electricidad.

Who are we?
Clean Power Alliance believes in a clean energy future that is local, where communities are empowered and customers are given a choice about the source of their energy. We are a not-for-profit organization made up of 31 public agencies across Los Angeles and Ventura counties, offering clean renewable energy at competitive rates.

California’s new locally operated electricity provider made up of 31 public agencies across Los Angeles and Ventura counties.

Requesting Medical Baseline can be done quickly and easily. This makes your bill cheaper. If you do not have Medical Baseline and need medical equipment at your home, the Medical Baseline Program reduces your electric bill by about 12%. Qualifications are based on your participation in public assistance programs, or on household income. If someone in your household needs powered medical equipment, the Medical Baseline Program provides you with additional energy to your normal baseline allocation, saving you money.

Need financial assistance?
If you are currently enrolled in the California Alternative Rates for Income (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline (Medical Baseline Program) or a Franchise Fee Surcharge, you can reduce your electric bill by about 30% or more. If you qualify, you will receive a discount upon enrollment in Clean Power Alliance.

Discount Programs:
Available rates can be reviewed at cleanpoweralliance.org or by contacting Clean Power Alliance at 888-585-3788.

Terms and Conditions of Service
If you are currently enrolled in a discounted program, the Clean Power Alliance will continue to provide you with the discounted electric charges, including Clean Power Alliance’s power generation charges. SCE will continue to charge you for Transmission and Distribution services they provide; this does not affect your Clean Power Alliance rates.

Opt out:
You have the right to opt out without penalty any time. You will not be charged for any electric charges, including Clean Power Alliance’s power generation charges, after you opt out. SCE cannot collect on your monthly electric bill for electric services if you opt out.

Billing:
If your electricity service is transferred, you may be subject to additional requirements by SCE. Failure to pay: Failure to pay within 30 days of the due date on your bill results in a one-time late fee being charged to your account. Failure to pay within 30 days of the due date on your bill results in your request being processed on your next meter read date, your request must be received at least 5 business days prior to your meter read date.

Failure to pay may prevent you from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be subject to SCE’s then current rates and terms and conditions of service. For details on SCE’s rates and terms and conditions, please visit sce.com.

You have the right to review terms and conditions of service at cleanpoweralliance.org or by contacting Clean Power Alliance at 888-585-3788.

Southern California Edison (SCE) collects from Clean Power Alliance customers the cost of transmitting electricity directly to your home or business. This charge is on your bill. You continue to pay for the power you use, and for the Transmission and Distribution services SCE provides. Accounts will be transferred on the day the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to your meter read date.

How does it work?

Clean Power Alliance purchases clean power and Southern California Edison (SCE) delivers it. **Nothing else changes**—SCE will continue to deliver power to your home, send just one bill, be responsible for resolving any issues with your electricity service, and qualified customers will continue to have access to financial assistance, rebates, and incentives.

Starting February 1, 2019, you will be automatically enrolled in **Lean Power** which provides 36% renewable content at the lowest possible cost.

The choice is yours!

You can change your service at any time by selecting one of Clean Power Alliance’s other two rate options: Clean Power, which provides 50% renewable content, and 100% Green Power, which provides 100% renewable content and gives customers the opportunity to be an environmental champion. To learn more or to change your rate, visit cleanpoweralliance.org or contact us at 888-585-3788 (TTY 323-214-1296).

¡Usted elige!

Puede cambiar su servicio en cualquier momento seleccionando unas de las otras dos opciones de tarifas de Clean Power Alliance: Clean Power, que ofrece energía con un contenido renovable de 50% y Green Power que ofrece energía con un contenido renovable de 100% y que ofrece a sus clientes la oportunidad de ser un campeón ambiental. Para informarse más o para cambiar su tarifa visite cleanpoweralliance.org o contáctenos al 888-585-3788 (TTY Teletipo 323-214-1296).
