Notice from your new electricity provider, Clean Power Alliance!

You can now enjoy the benefits of clean, renewable power at competitive rates.

Need Financial Assistance?

The California Alternate Rates for Energy (CARE) Program reduces energy bills for eligible customers by about 30% and the Family Electric Rate Assistance (FERA) Program reduces energy bills by about 12%. Qualifications are based on participation in public assistance programs or household income. If someone in your household needs powered medical equipment, the Medical Baseline Program provides additional energy to your normal baseline allocation, saving you money. If you don't currently receive CARE, FERA, or Medical Baseline assistance, you can apply through SCE by calling them at 800-798-5723 or visiting their website at sce.com/care.

¿Necesita asistencia económica?

El Programa California Alternate Rates for Energy (CARE) reduce en aproximadamente un 30% las facturas de energía para los clientes que reúnen los requisitos y el Programa Family Electric Rate Assistance (FERA) reduce las facturas de energía en aproximadamente un 12%. La aceptación en los programas se basa en la participación en programas de asistencia pública, o en el ingreso del hogar. Si alguien en su hogar necesita equipo médico que funciona con energía eléctrica, el Programa Medical Baseline ofrece energía adicional a su asignación normal básica y así le ahorra dinero. Si usted actualmente no recibe asistencia de CARE, FERA o Medical Baseline puede solicitarla por medio de SCE llamando al 800-798-5723 o visitando su sitio web en sce.com/care.

需要補助嗎？

加州低收入專享費率 (CARE) 計畫能讓符合條件的用戶減少大約30%的電費，聯邦電費補助 (FERA) 計劃則能減少大約12%的電費。用戶是否符合條件依其參加公共援助計畫的情況或根據家庭收入狀況而定。如果您家中有人需要電力醫療設備，醫療基線 (Medical Baseline) 計畫能在您平常的基本電量分配外提供額外電量，為您節省費用。如果您目前不享有CARE、FERA或Medical Baseline計畫補助，您可以致電 800-798-5723或造訪sce.com/care網站，透過SCE申請參加這些計畫。

Terms and Conditions of Service

Clean Power Alliance electric generation rates are competitive. Available rates can be reviewed at cleanpoweralliance.org or by contacting Clean Power Alliance at 888-585-3788 (TTY 323-214-1296). Any changes to Clean Power Alliance rates will be adopted at duly noticed public meetings of the Clean Power Alliance Board of Directors.

Southern California Edison (SCE) collects from Clean Power Alliance customers authorized charges for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE.

Southern California Edison also charges Clean Power Alliance customers a Power Charge Indifference Adjustment (PCIA) and a Franchise Fee Surcharge. Both are calculated based on the number of kilowatt hours used each month. The PCIA is intended to ensure that customers who switch to Clean Power Alliance pay for energy that was acquired by SCE to serve them prior to their switch. Note that Clean Power Alliance rates are competitive with SCE's rates, even with these fees.

Billing: Each month, Clean Power Alliance customers receive a single monthly bill from SCE, just as they would under SCE bundled service. This bill includes all electric charges, including Clean Power Alliance's power generation charges. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business.

Enrollment: You were automatically enrolled in Clean Power Alliance, unless you opted out, on your scheduled meter read date on or following February 1, 2019.

Discount Programs: If you are currently enrolled

in the California Alternative Rates for Energy (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline, Level Pay or Summer Discount Program, you will continue to receive all benefits and discounts as a Clean Power Alliance customer.

Opt out: You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). However, customers who opt out of Clean Power Alliance after service launch may be charged a one-time account processing fee by SCE (currently 50 cents*), and will be prevented by SCE from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be subject to SCE's then current rates and terms and conditions of service. For details on SCE's rates and terms and conditions, please visit sce.com/tnc. If you opt out, you will still be charged for all electricity you used before the transfer of electric service. Accounts will be transferred when the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org. Please have your electric bill handy so you have the information needed to process the request.

Failure to pay: Clean Power Alliance may transfer your account to SCE upon 14 calendar days' written notice to you if you fail to pay any portion of the Clean Power Alliance charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

*SCE's one-time account processing fee is subject to change. View SCE's fees at www.sce.com/regulatory/tariff-books.

Access terms and conditions in other languages at cleanpoweralliance.org.

How does it work?

You previously received two notices informing you that we would be your new electricity provider. As of February 2019, you are officially a Clean Power Alliance customer on the rate option chosen by your community (Lean Power or Clean Power) or the one you selected. You are now a part of a local community dedicated to new, transparent and accountable energy choices, a better environment, and competitive rates.

Clean Power Alliance purchases renewable and carbon-free power and Southern California Edison (SCE) delivers it.

Nothing else changes—SCE will continue to deliver power, mail your bill, be responsible for resolving any service issues, and qualified customers will continue to receive financial assistance, rebates, and incentives.

You can change your rate at any time by choosing from our three options: Lean Power, Clean Power, and 100% Green Power.

Understanding your bill and rates.

Your bill is now split between charges from Clean Power Alliance and SCE. Under “Supply/Generation Charges”, you will see Clean Power Alliance’s rates for supplying energy. Under “Delivery Charges”, you will see SCE’s rates for delivering energy. More detailed bill assistance is available at cleanpoweralliance.org/bill.

We want to advise you that SCE has proposed a double digit increase to 2019 rates and fees charged to both their own and Clean Power Alliance customers to make up for their 2018 revenue shortfall of over \$800 million dollars. If SCE’s proposed increases are approved by the California Public Utilities Commission, **Clean Power Alliance will adjust rates at future public Board meetings as needed to ensure our current savings/premiums do NOT change and all our rates remain competitive compared to SCE rates.**

We encourage you to compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at cleanpoweralliance.org/compare to decide which option is best for you.

To learn more, change your rate, or opt out, visit cleanpoweralliance.org or call us at 888-585-3788 (TTY 323-214-1296).

¿Cómo funciona?

Anteriormente recibió dos avisos informándole de que nosotros seríamos su nuevo proveedor de electricidad. A partir de febrero de 2019, usted es oficialmente cliente de Clean Power Alliance con la opción de tarifa escogida por su comunidad (Lean Power o Clean Power) o la que usted seleccionó. Usted es ahora parte de una comunidad local dedicada a opciones de energía nuevas, transparentes y responsables, un mejor medio ambiente y tarifas competitivas.

Clean Power Alliance compra energía renovable y libre de carbono, y Southern California Edison (SCE) la transmite. **Nada más cambia**—SCE seguirá transmitiendo energía, enviando su factura por correo, seguirá siendo responsable de resolver cualquier problema de servicio y los clientes que reúnen los requisitos seguirán recibiendo asistencia e incentivos económicos y reembolsos.

Puede cambiar su tarifa en cualquier momento escogiendo una de nuestras tres opciones: Lean Power, Clean Power y 100% Green Power.

Para informarse más, cambiar su tarifa u optar por dejar el servicio, visite cleanpoweralliance.org o llámenos al 888-585-3788 (TTY 323-214-1296).

Para entender su factura y nuestras tarifas.

Su factura ahora se divide en cargos de Clean Power Alliance y cargos de SCE. Bajo “Cargos por Suministro/Generación”, verá las tarifas de Clean Power Alliance por suministro de energía. Bajo “Cargos de Transmisión”, verá las tarifas de SCE por transmisión de energía. En cleanpoweralliance.org/bill puede encontrar información más detallada sobre las facturas.

Queremos notificarle de que SCE ha propuesto un aumento de dos dígitos en sus tarifas y cargos de 2019 que cobraría tanto a sus clientes como a los de Clean Power Alliance para compensar su déficit de ingresos de casi 800 millones de dólares en el 2018. Si la Comisión de Servicios Públicos de California (California Public Utilities Commission) aprueba los aumentos propuestos por SCE, **Clean Power Alliance ajustará tarifas en reuniones futuras del Consejo cuando sea necesario para garantizar que nuestros ahorros/costos adicionales NO cambien y que nuestras tarifas sigan siendo competitivas comparadas con las tarifas de SCE.**

Le animamos a comparar sus opciones de tarifas de Clean Power Alliance y de SCE usando nuestra herramienta de comparación de tarifas en cleanpoweralliance.org/compare para decidir qué opción es la mejor para usted.

它如何運作？

您之前收到了兩封通知，告知您我們將是您的新電力供應商。從2019年2月起，您正式成為清潔電力聯盟的用戶，您的費率方案（精益電力或清潔電力）是由您的社區選定或由您自己選擇的。如今您是當地社區的一員，共同致力追求新的、透明化而且負責任的能源選擇，一個更好的環境以及具有競爭力的費率。

清潔電力聯盟負責購買無碳的可再生電力後，再由南加州愛迪生公司（SCE）負責輸送。其他一切都沒有改變—SCE會繼續輸送電力，郵寄您的電費帳單，負責解決任何服務問題，同時符合條件的用戶也會繼續獲得補助、退款和獎勵。

您可以隨時更改您的電力方案，從我們提供的以下三種選項中選擇一種：Lean Power精益電力，Clean Power 清潔電力，100% Green Power 綠色電力，100%可再生能源。

瞭解您的帳單和我們的費率

現在您的帳單包含清潔電力聯盟和SCE的收費。在“Supply/Generation Charges”（供電/發電費）一欄下面，會看到清潔電力聯盟提供電力的費率。在“Delivery Charges”（輸送費）一欄下面，會看到SCE輸送電力的費率。如需更詳細的帳單說明，請參閱cleanpoweralliance.org/bill。

敬請注意，SCE已經對自身用戶及清潔電力聯盟用戶的2019年費率與收費提出雙位數字的增幅，以補足其2018年近8億元的營收短缺。如果SCE提出的增幅獲得加州公用事業委員會批准，清潔電力聯盟將視需要在未來舉行的董事會公開會議中調整費率，以確保我們現有的節省/增加百分比維持不變，同時我們所有的費率與SCE相比持續具有競爭力。

我們鼓勵您利用cleanpoweralliance.org/compare網頁的帳單比較工具，對您的清潔電力聯盟和SCE費率方案進行比較，來決定最適合您的方案。

如要瞭解詳情，更改方案，或退出服務，請造訪cleanpoweralliance.org或致電888-585-3788（TTY 323-214-1296）與我們聯繫。
