## About Our Rates

Clean Power Alliance's 2019 rates are established to meet standard bill comparison targets approved by our Board of Directors (1-2% cost savings for Lean Power, 0-1% savings for Clean Power, and 7-9% cost premium for 100% Green Power). These overall bill savings or premium—depending on which rate option the customer chooses—are in comparison to Southern California Edison's (SCE's) base rates effective as of June 1, 2019.

For customers on certain rate types, these bill comparison ranges may vary due to higher CPA rates during the winter season. These rate types are TOU-8, TOU-GS-3, PA-2, PA-3, and select lighting rate types (AL-2, OL-1, LS-1, LS-2, and LS-3). For more information, please contact us at 888-585-3788 or [customerservice@cleanpoweralliance.org](mailto:customerservice@cleanpoweralliance.org).

Any changes to Clean Power Alliance rates will be adopted at public meetings of our Board of Directors.

## 100% Green Power Default Jurisdiction Rate

The rate for customers in Clean Power Alliance jurisdictions that selected **100% Green Power** as their default includes a small additional premium.<sup>1</sup> This additional premium provides funding to allow qualified customers in those jurisdictions that participate in financial assistance programs to receive **100% Green Power** at the same rates as they would have paid to Southern California Edison (SCE), including the discount provided by the financial assistance program. These programs are California Alternate Rates for Energy (CARE), Family Electric Rate Assistance (FERA), and Medical Baseline Allowance. Clean Power Alliance is committed to giving every customer the opportunity to be a champion for clean energy, as well as ensuring our customers have choices when it comes to their energy needs. At any time, customers can choose to move to our **Clean Power** option, which provides 50% renewable energy content at cost-competitive rates, or our **Lean Power** option, which provides 36% renewable energy content and offers a rate savings compared to SCE base rates. Customers can change their rate option by contacting our Customer Service Center at 888-585-3788, or visiting our website at [www.cleanpoweralliance.org/rate-options](http://www.cleanpoweralliance.org/rate-options).

**The rates contained in this document reflect charges for electric generation/supply. Please visit [SCE.com](http://SCE.com) for delivery rates and schedules.**

---

<sup>1</sup> This additional premium translates to an approximate 0.6% bill increase. Jurisdictions that selected 100% Green Power default for 2019 are Culver City, Ojai, Oxnard, Thousand Oaks, Santa Monica, Unincorporated Ventura County, Ventura, and West Hollywood.
