

COVID-19 Update

Clean Power Alliance's COVID-19 Relief Program

Clean Power Alliance (CPA) is here to help our customers during COVID-19. We understand choosing between rent, bills, and groceries or payroll is a situation no family or small business should have to face, especially during a crisis.

We believe our customers deserve reliable and affordable electricity with manageable payments. That's why we're allocating \$1 million in bill assistance to COVID-19 impacted customers who sign up for financial assistance through Southern California Edison (SCE). We're committed to supporting our communities most in need and doing our part during this difficult time. Learn more at cleanpoweralliance.org/covid19

How it Works

Residential Customers

Your Options:

1. CPA will provide a one-time \$25 bill credit to residential customers who sign up for CARE, FERA, or Medical Baseline assistance through SCE on or after March 16.
2. Already on CARE, FERA, or Medical Baseline? CPA will give you a one-time \$25 bill credit if you sign up for a payment plan through SCE on or after March 16.

No need to notify CPA once you sign up for the financial assistance programs or payment plans. SCE will notify us when your program enrollment or payment plan is set up, and then CPA will automatically apply your \$25 bill credit as soon as your next electric bill. You can still get this electric bill assistance even if you're also receiving unemployment benefits.

Who to Contact

Clean Power Alliance will provide bill credits on a first-come, first-served basis until funds are exhausted. To sign up for a payment plan or get enrolled in financial assistance programs, please call SCE today at **800-655-4555** or visit: **[visit SCE.com/covid19](https://www.sce.com/covid19)**.

Small Business Customers

CPA will give a one-time \$50 bill credit to small business customers (on GS-1 or GS-2 rates) who sign up for a payment plan through SCE on or after March 16.

No need to notify CPA once you sign up for a payment plan. SCE will notify us when your payment plan is set up, and then CPA will automatically apply your \$50 bill credit as soon as your next electric bill. You can still get this electric bill assistance even if you're also receiving federal CARES Act benefits.
