## Welcome!

You can now pick where your electricity comes from!

You will soon enjoy the advantages of clean, renewable power at competitive rates. Starting September 2020, Clean Power Alliance will be your new electricity provider.

Access terms and conditions in other languages at [cleanpoweralliance.org](http://cleanpoweralliance.org).

### Terms and Conditions of Service

Clean Power Alliance electric generation rates are competitive. Available rates can be reviewed at [cleanpoweralliance.org](http://cleanpoweralliance.org) or by contacting Clean Power Alliance at 888-585-3788 (TTY 323-214-1296). **Clean Power Alliance rates are subject to change and any changes will be adopted at duly noticed public meetings of the Clean Power Alliance Board of Directors, available at [cleanpoweralliance.org/agendas](http://cleanpoweralliance.org/agendas).**

Southern California Edison (SCE) collects from Clean Power Alliance customers authorized charges for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE. Southern California Edison also charges Clean Power Alliance customers a Power Charge Indifference Adjustment (PCIA) and a Franchise Fee Surcharge. Both are calculated based on the number of kilowatt hours used each month. The PCIA is intended to ensure that customers who switch to Clean Power Alliance pay for energy that was acquired by SCE to serve them prior to their switch. Note that Clean Power Alliance rates are competitive with SCE's rates, even with these fees.

**Billing:** Clean Power Alliance customers receive billing statements from SCE, just as they would under SCE bundled service, which include Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business.

**Enrollment:** You will be automatically enrolled in Clean Power Alliance, unless you opt out, on your scheduled meter read date on or following September 1, 2020.

**Discount Programs:** If you are currently enrolled in the California Alternative Rates for Energy (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline, Level Pay or Summer Discount Program, you will continue to receive all benefits and discounts as a Clean Power Alliance customer.

**Opt out:** You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). However, customers who opt out of Clean Power Alliance after service launch may be charged a one-time account processing fee by SCE (currently 50 cents\*) and will be prevented by SCE from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be

subject to SCE's then current rates and terms and conditions of service. For details on SCE's rates and terms and conditions, please visit [sce.com/tnc](http://sce.com/tnc). If you opt out, you will still be charged for all electricity you used before the transfer of electric service.

Accounts will be transferred when the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit [cleanpoweralliance.org](http://cleanpoweralliance.org). Please have your electric bill handy so you have the information needed to process the request.

**Failure to pay:** Clean Power Alliance may transfer your account to SCE upon 14 calendar days' written notice to you if you fail to pay any portion of the Clean Power Alliance charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

\*SCE's one-time account processing fee is subject to change. View SCE's fees at [www.sce.com/regulatory/tariff-books](http://www.sce.com/regulatory/tariff-books).

## How does it work?

Your city or county chose to offer you new clean energy options through Clean Power Alliance. You will automatically receive energy purchased by Clean Power Alliance that has the same renewable energy content as Southern California Edison (SCE) but at lower rates.

Starting on your first electricity meter read date in **September 2020**, you'll be automatically enrolled at the default level chosen by your community, **Lean Power**, with 36% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers. Please note your neighbors may have already started Clean Power Alliance service, but due to an SCE system issue, your enrollment with us was delayed.

To learn more, change your rate, or opt out and remain with SCE, contact us at **888-585-3788 (TTY 323-214-1296)** or visit [cleanpoweralliance.org](https://cleanpoweralliance.org).

## ¿Cómo funciona?

Su ciudad o condado optó por ofrecerle nuevas opciones de energía limpia mediante Clean Power Alliance. Usted recibirá automáticamente energía comprada por Clean Power Alliance que tiene el mismo contenido de energía renovable que Southern California Edison (SCE) pero con tarifas más bajas.

A partir de la primera fecha de lectura de su medidor de electricidad en septiembre de 2020, usted será inscrito automáticamente en el nivel predeterminado escogido por su comunidad, **Lean Power** (Energía *Lean*), con un 36% de energía renovable, pero puede escoger una tarifa diferente en cualquier momento. SCE seguirá entregando energía, enviando facturas, resolviendo cualquier problema con el servicio de electricidad y ofreciendo incentivos a los clientes que cualifican. Por favor tenga en cuenta que es posible que sus vecinos ya hayan empezado el servicio con Clean Power Alliance, pero su inscripción se retrasó debido a un problema con el sistema de SCE.

Para informarse más, cambiar su tarifa u optar por dejar el servicio y permanecer con SCE, llámenos al **888-585-3788 (TTY 323-214-1296)** o visite [cleanpoweralliance.org](https://cleanpoweralliance.org).

## 它如何運作？

您的城市或縣選擇由清潔電力聯盟向您提供清潔能源新方案。您將會自動獲得由清潔電力聯盟購買的能源，這些能源具有與南加州愛迪生公司(SCE)同樣的可再生含量，但是價格較低。

您從2020年9月第一次電錶讀取日當天開始，就會自動登記參加貴社區所選的預設電力方案—**Lean Power (精益電力)**，此項方案可再生含量佔36%，而且您可以隨時改選其他方案。SCE會繼續輸送電力，寄發電費帳單，負責解決所有電力服務問題，並對符合條件的用戶提供獎勵。請注意，您的鄰居可能已經開始使用清潔電力聯盟服務，但是由於SCE系統的一個問題，您向我們的登記可能會有延遲。

如要瞭解詳情，更改方案，或退出服務並回到SCE，請致電888-585-3788(TTY 323-214-1296)或瀏覽 [cleanpoweralliance.org](https://cleanpoweralliance.org)與我們聯繫

## What will it cost?

Lean Power provides a 1-2% overall bill savings compared to SCE.

Compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at [cleanpoweralliance.org/compare](https://cleanpoweralliance.org/compare) to decide which option is best for your priorities.

## What are my choices?

If you do nothing, you will continue at your community's default rate. Want a different rate? No problem. You can change your rate at any time by selecting one of Clean Power Alliance's other two rate options: Clean Power (50% renewable energy) or 100% Green Power. You can also opt out if you decide to remain with SCE by visiting [cleanpoweralliance.org](https://cleanpoweralliance.org) or calling us at 888-585-3788. Clean Power Alliance offers customers the shared benefits of local management, competitive rates, and higher renewable content.

## ¿Cuánto costará?

Lean Power ofrece un ahorro total del 1-2% en las facturas comparado con SCE.

Compare sus opciones de tarifas de Clean Power Alliance y de SCE usando nuestra herramienta de comparación de facturas en [cleanpoweralliance.org/compare](https://cleanpoweralliance.org/compare) para decidir qué opción es la mejor para sus prioridades.

## ¿Qué opciones tengo?

Si no hace nada, continuará con la tarifa predeterminada de su comunidad. ¿Quiere una tarifa diferente? No hay problema. Puede cambiar su tarifa en cualquier momento seleccionando una de las otras dos opciones de tarifa de Clean Power Alliance: Clean Power (Energía Limpia con 50% de energía renovable) o 100% Green Power (Energía 100% Verde). También puede optar por dejar el servicio si decide quedarse con SCE visitando [cleanpoweralliance.org](https://cleanpoweralliance.org) o llamándonos al 888-585-3788. Clean Power Alliance ofrece a los clientes los beneficios compartidos de la administración local, tarifas competitivas y un contenido renovable más alto.

## 費用多少？

Lean Power (精益電力)與SCE的帳單相比大致可節省1-2%。您可以利用我們在[cleanpoweralliance.org/compare](https://cleanpoweralliance.org/compare)網頁提供的帳單比較。

## 我有哪些選擇？

如果您不採取任何行動，您社區預選的方案就是您的電力方案。想選其他方案嗎？沒問題。您可以在任何時候免費變更方案，選用清潔電力聯盟另外兩種費率方案的其中一種：Lean Power (精益電力)或Clean Power (清潔電力)。您也可以透過瀏覽 [cleanpoweralliance.org](https://cleanpoweralliance.org)或致電888-585-3788聯繫我們，決定回到SCE。清潔電力聯盟向客戶提供本地管理、具競爭力的價格，以及更高可再生含量等益處。
