Southern California Edison (SCE) collects from Clean Power Alliance customers authorized charges for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE. Southern California Edison also charges Clean Power Alliance customers a Power Charge Indifference Adjustment (PCIA) and a Reshuffle Fee Surcharge. Both are calculated based on the number of kilowatt-hours used each month. The PCIA is intended to ensure that customers who switch to Clean Power Alliance pay for energy that was acquired by SCE to serve them prior to the switch. Note that Clean Power Alliance rates are competitive with SCE’s rates, even with these fees.

Billing: Clean Power Alliance customers receive billing statements from SCE, just as they would under SCE bundled service, which include Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission and distribution services they provide, this includes the cost of transmitting electricity to your home or business.

Enrollment: You will be automatically enrolled in Clean Power Alliance, unless you opt out, on your scheduled meter read date on or following July 15, 2020. Discount Programs: PEP is currently enrolled in the California Alternate Rates for Energy (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline, Level Pay or Summer Discount Program, you will continue to receive all benefits and discounts as a Clean Power Alliance customer.

Opt out: You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). However, customers who opt out of Clean Power Alliance after service launch may be charged a one-time account processing fee by SCE (currently $52 cents) and will be prevented from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be subject to SCE’s then current rates and terms and conditions of service.

Failure to pay: Clean Power Alliance may transfer your account to SCE upon 14 calendar days’ written notice to you if you fail to pay any portion of the Clean Power Alliance charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

How does it work?
Your community chose to offer you new clean energy options through Clean Power Alliance. You will automatically receive energy purchased by Clean Power Alliance that has higher renewable energy content and is competitively priced with Southern California Edison.

On your recent electricity meter read date, you were automatically enrolled at the default level chosen by your community, Clean Power, with 50% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers.

Clean Power Alliance previously became the default option for your community, but enrollment for Net Energy Metering (NEM) customers was deferred until the end of your SCE NEM relevant period.

What will it cost?
Clean Power provides a 0-1% overall bill savings compared to SCE.

Compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at cleanpoweralliance.org/compare to decide which option is best for your priorities.

What are my choices?
If you do nothing, you will continue at your community’s default rate. Want a different rate? No problem. You can change your rate at any time by selecting one of Clean Power Alliance’s other two rate options: Lean Power (36% renewable energy) or 100% Green Power. You can also opt out and return to SCE by visiting cleanpoweralliance.org or calling us at 888-585-3788. Clean Power Alliance offers customers the shared benefits of local management, competitive rates, and higher renewable content.

To learn more, change your rate, or opt out and remain with SCE, contact us at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org.
