Clean Power Alliance electric generation rates are competitive. Available rates can be reviewed at cleanpoweralliance.org or by contacting Clean Power Alliance at 888-585-3788 (TTY 323-214-1296). The Clean Power Alliance rates are subject to change and any changes will be adopted at public notices prior to any change. For details on the Clean Power Alliance Board of Directors, available at cleanpoweralliance.org/organization.

Southern California Edison (SCE) collects from all active customers, which may include Clean Power Alliance customers, a power charge indifference adjustment (PCIA) and a franchise fee surcharge. Both are calculated based on the number of kilowatt hours used each month. The PCIA is intended to ensure the PCIA is intended to ensure that Clean Power Alliance customers receive billing statements from SCE, just as they would under SCE bundled service, which include Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business.

Enrollment: You will be automatically enrolled in Clean Power Alliance, unless you opt out, on your scheduled meter read date or on following July 15, 2020. Failure to pay: You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). Allow two business days for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read.

Discount Programs: If you are currently enrolled in the California Power Package (CPP), the California Public Utilities Commission’s program to provide lower rates to low-income households, you will continue to receive all benefits and discounts as a Clean Power Alliance customers. Opt out: You have the right to opt out without penalty at any time. Your account will not be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org. If you opt out, you will still be charged for all electricity you used before the transfer of electric service. Accounts will be transferred when the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org. Please have your electric bill handy so you have the information needed to process the request.

How does it work?
Your community chose to offer you new clean energy options through Clean Power Alliance. You will automatically receive energy purchased by Clean Power Alliance that has the same renewable energy content as Southern California Edison (SCE) but at lower rates. On your recent electricity meter read date, you were automatically enrolled at the default level chosen by your community, Lean Power, with 36% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers. Clean Power Alliance previously became the default option for your community, but enrollment for Net Energy Metering (NEM) customers was deferred until the end of your SCE NEM relevant period.

What will it cost?
Lean Power provides a 1-2% overall bill savings compared to SCE. Compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at cleanpoweralliance.org/compare to decide which option is best for your priorities.

What are my choices?
If you do nothing, you will continue at your community’s default rate. Want a different rate? No problem. You can change your rate at any time by selecting one of Clean Power Alliance’s other two rate options: Clean Power (50% renewable energy) or 100% Green Power. You can also opt out and return to SCE by visiting cleanpoweralliance.org or calling us at 888-585-3788. Clean Power Alliance offers customers the shared benefits of local management, competitive rates, and higher renewable content.
