How does it work?
Your community chose to offer you new clean energy options through Clean Power Alliance. You are automatically receiving energy purchased by Clean Power Alliance that has higher renewable energy content and is competitively priced with Southern California Edison.

On your recent electricity meter read date on or after October 26, 2020, you were automatically enrolled at the default level chosen by your community. Clean Power, with 50% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers.

Please note your neighbors may have already started Clean Power Alliance service, but due to an SCE system issue, your enrollment with us was delayed.

What does it cost?
Clean Power provides a 0-1% overall bill savings compared to SCE.

Compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at cleanpoweralliance.org/compare to decide which option is best for your priorities.

What are my choices?
If you do nothing, you will continue at your community’s default rate. Want a different rate? No problem. You can change your rate at any time by selecting one of Clean Power Alliance’s other two rate options: Lean Power (36% renewable energy) or 100% Green Power. You can also opt out and return to SCE by visiting cleanpoweralliance.org or calling us at 888-585-3788. Clean Power Alliance offers customers the shared benefits of local management, competitive rates, and higher renewable content.
