that Clean Power Alliance rates are competitive with SCE’s rates, that was acquired by SCE to serve them prior to their switch. Note customers who switch to Clean Power Alliance pay for energy hours used each month. The PCIA is intended to ensure that the components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE. Southern California Edison (SCE) collects from Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission service, which include Clean Power Alliance charges for power delivered. See terms and conditions of service, which include Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business. SCE's one-time account processing fee is subject to change. Clean Power Alliance may transfer your account if your service is transferred, and you fail to give us written notice prior to 14 calendar days. Failure to pay: If you have the information needed to process the request. Accounts will be transferred when the electric meter is read and all electricity you used before the transfer of electric service is billed. Billing: Clean Power Alliance customers receive billing statements from SCE, just as they would under SCE bundled service, which include Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business. Enroll: You were automatically enrolled in Clean Power Alliance, unless you opted out, on your scheduled meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org. Please have your electric bill handy so you have the information needed to process the request. To learn more, change your rate, or opt out and remain with SCE, contact us at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org.
How does it work?
Your community chose to offer you new clean energy options through Clean Power Alliance. You are automatically receiving energy purchased by Clean Power Alliance that has the same renewable energy content as Southern California Edison (SCE) but at lower rates. On your recent electricity meter read date on or after October 26, 2020, you were automatically enrolled at the default level chosen by your community. Lean Power, with 36% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers. Please note your neighbors may have already started Clean Power Alliance service, but due to an SCE system issue, your enrollment with us was delayed. Because Lean Power is your default rate option, you may also receive a one-time credit on your future SCE bill(s). This credit will reflect the total savings you should have received from Clean Power Alliance had you been enrolled with us at the correct time.

What does it cost?
Lean Power provides a 1-2% overall bill savings compared to SCE. Compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at cleanpoweralliance.org/compare to decide which option is best for your priorities.

What are my choices?
If you do nothing, you will continue at your community’s default rate. Want a different rate? No problem! You can change your rate at any time by selecting one of Clean Power Alliance’s other two rate options: Clean Power (50% renewable energy) or 100% Green Power. You can also opt out and return to SCE by visiting cleanpoweralliance.org or calling us at 888-585-3788. Clean Power Alliance offers customers the shared benefits of local management, competitive rates, and higher renewable content.

To learn more, change your rate, or opt out and remain with SCE, contact us at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org.

¿Cómo funciona?
Su comunidad optó por ofrecerle nuevas opciones de energía limpia mediante Clean Power Alliance. Usted está recibiendo automáticamente energía comprada por Clean Power Alliance que tiene el mismo contenido de energía renovable que Southern California Edison (SCE) pero con tarifas más bajas. En la reciente fecha de lectura de su medidor de electricidad a partir del 26 de octubre de 2020, fue inscrito automáticamente en el nivel predeterminado escogido por su comunidad. Lean Power (Energía Lean), con un 36% de energía renovable, pero puede escoger una tarifa diferente en cualquier momento. SCE seguirá entregando energía, enviando facturas, resolviendo cualquier problema con el servicio de electricidad y ofreciendo incentivos a los clientes que cualifiquen. Por favor tenga en cuenta que es posible que sus vecinos ya hayan empezado el servicio con Clean Power Alliance, pero debido a un problema con el sistema de SCE, se retrasó su inscripción con nosotros. Debido a que Lean Power es su opción predeterminada de tarifa, también puede recibir un crédito único en su factura futura de SCE. Este crédito reflejará el ahorro total que debería haber tenido con Clean Power Alliance si se hubiera inscrito con nosotros en el momento correcto.

¿Cuánto cuesta?
Lean Power ofrece un ahorro total del 1-2% en las facturas comparado con SCE. Compare sus opciones de tarifas de Clean Power Alliance y de SCE usando nuestra herramienta de comparación de facturas en cleanpoweralliance.org/compare para decidir qué opción es la mejor para sus prioridades.

¿Qué opciones tengo?
Si no hace nada, continuará con la tarifa predeterminada de su comunidad. ¿Quiere una tarifa diferente? No hay problema. Puede cambiar su tarifa en cualquier momento seleccionando una de las otras dos opciones de tarifa de Clean Power Alliance: Lean Power (Energía Limpia con 50% de energía renovable) o 100% Green Power (Energía 100% Verde). También puede optar por dejar el servicio si decide quedarse con SCE, visitando cleanpoweralliance.org o llamándonos al 888-585-3788. Clean Power Alliance ofrece a los clientes los beneficios compartidos de la administración local, tasas competitivas y un contenido renovable más alto. Para informarse más, cambiar su tarifa u optar por dejar el servicio y permanecer con SCE, llámenos al 888-585-3788 (TTY 323-214-1296) o visite cleanpoweralliance.org.
