Terms and Conditions of Service

Clean Power Alliance electric generation rates are competitive. Available rates can be reviewed at cleanpoweralliance.org or by contacting Clean Power Alliance at 888-585-3788 (TTY 323-214-1296). **Clean Power Alliance rates are subject to change and any changes will be adopted at duly noticed public meetings of the Clean Power Alliance Board of Directors, available at cleanpoweralliance.org/agendas.**

Southern California Edison (SCE) collects from Clean Power Alliance customers authorized charges for delivering power to your home or business and for providing other services. These components of your electric bill are the same whether you buy electricity from Clean Power Alliance or SCE. Southern California Edison also charges Clean Power Alliance customers a Power Charge Indifference Adjustment (PCIA) and a Franchise Fee Surcharge. Both are calculated based on the number of kilowatt hours used each month. The PCIA is intended to ensure that customers who switch to Clean Power Alliance pay for energy that was acquired by SCE to serve them prior to their switch. Note that Clean Power Alliance rates are competitive with SCE's rates, even with these fees.

Billing: Clean Power Alliance customers receive billing statements from SCE, just as they would under SCE bundled service, which include Clean Power Alliance charges for power generation. SCE will continue to charge you for transmission and distribution services they provide; this includes the cost of transmitting electricity to your home or business.

Enrollment: You were automatically enrolled in Clean Power Alliance, unless you opted out, on your scheduled meter read date on or following October 26, 2020.

Discount Programs: If you are currently enrolled in the California Alternate Rates for Energy (CARE) program, the Family Electric Rate Assistance (FERA) program, Medical Baseline, Level Pay or Summer Discount Program, you will continue to receive all benefits and discounts as a Clean Power Alliance customer.

Opt out: You have the right to opt out without penalty at any time. You will not be charged any fees by Clean Power Alliance if you opt out or if you cancel electric service altogether (for example, if you move). However, customers who opt out of Clean Power Alliance after service launch may be charged a one-time account processing fee by SCE (currently 50 cents*) and will be prevented by SCE from returning to Clean Power Alliance for a minimum of twelve months. By opting out, you will also be

subject to SCE's then current rates and terms and conditions of service. For details on SCE's rates and terms and conditions, please visit sce.com/tnc. If you opt out, you will still be charged for all electricity you used before the transfer of electric service.

Accounts will be transferred when the electric meter is read and cannot be transferred during the middle of a billing cycle. In order for your request to be processed on your next meter read date, your request must be received at least 5 business days prior to the date on which the meter is read. To opt out, please call Clean Power Alliance at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org. Please have your electric bill handy so you have the information needed to process the request.

Failure to pay: Clean Power Alliance may transfer your account to SCE upon 14 calendar days' written notice to you if you fail to pay any portion of the Clean Power Alliance charges on your bill. If your service is transferred, you may be subject to additional requirements by SCE.

*SCE's one-time account processing fee is subject to change. View SCE's fees at www.sce.com/regulatory/tariff-books.

To learn more, change your rate, or opt out and remain with SCE, contact us at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org.

How does it work?

Your community chose to offer you new clean energy options through Clean Power Alliance. You are automatically receiving energy purchased by Clean Power Alliance that has higher renewable energy content and is competitively priced with Southern California Edison.

On your recent electricity meter read date, you were automatically enrolled at the default level chosen by your community, Clean Power, with 50% renewable energy, but you can choose a different rate at any time. SCE will continue to deliver power, send bills, resolve any electricity service issues, and offer incentives to qualified customers.

Clean Power Alliance previously became the default option for your community, but enrollment for Net Energy Metering (NEM) customers was deferred until the end of your SCE NEM relevant period.

To learn more, change your rate, or opt out and remain with SCE, contact us at 888-585-3788 (TTY 323-214-1296) or visit cleanpoweralliance.org.

What does it cost?

Clean Power provides a 0-1% overall bill savings compared to SCE.

Compare your Clean Power Alliance and SCE rate options by using our bill comparison tool at cleanpoweralliance.org/compare to decide which option is best for your priorities.

What are my choices?

If you do nothing, you will continue at your community's default rate. Want a different rate? No problem. You can change your rate at any time by selecting one of Clean Power Alliance's other two rate options: Lean Power (36% renewable energy) or 100% Green Power. You can also opt out and return to SCE by visiting cleanpoweralliance.org or calling us at 888-585-3788. Clean Power Alliance offers customers the shared benefits of local management, competitive rates, and higher renewable content.

¿Cómo funciona?

Su comunidad optó por ofrecerle nuevas opciones de energía limpia mediante Clean Power Alliance. Usted está recibiendo automáticamente energía comprada por Clean Power Alliance que tiene un mayor contenido de energía renovable y cuyo precio es competitivo con Southern California Edison.

En la reciente fecha de lectura de su medidor de electricidad, fue inscrito automáticamente en el nivel predeterminado escogido por su comunidad, Clean Power (Energía Limpia), con un 50% de energía renovable, pero puede escoger una tarifa diferente en cualquier momento. SCE seguirá entregando energía, enviando facturas, resolviendo cualquier problema con el servicio de electricidad y ofreciendo incentivos a los clientes que cualifican.

Clean Power Alliance se convirtió anteriormente en la opción predeterminada para su comunidad, pero la inscripción para los clientes con Conteo Neto de Energía (Net Energy Metering o NEM) fue diferida hasta el final de su periodo relevante de NEM con SCE.

Para informarse más, cambiar su tarifa u optar por dejar el servicio y permanecer con SCE, llámenos al 888-585-3788 (TTY 323-214-1296) o visite cleanpoweralliance.org.

¿Cuánto cuesta?

Clean Power ofrece un ahorro total del 0-1% en las facturas comparado con SCE.

Compare sus opciones de tarifas de Clean Power Alliance y de SCE usando nuestra herramienta de comparación de facturas en cleanpoweralliance.org/compare para decidir qué opción es la mejor para sus prioridades.

¿Qué opciones tengo?

Si no hace nada, continuará con la tarifa predeterminada de su comunidad. ¿Quiere una tarifa diferente? No hay problema. Puede cambiar su tarifa en cualquier momento seleccionando una de las otras dos opciones de tarifa de Clean Power Alliance: Lean Power (Energía Limpia con 36% de energía renovable) o 100% Green Power (Energía 100% Verde). También puede optar por dejar el servicio si decide quedarse con SCE visitando cleanpoweralliance.org o llamándonos al 888-585-3788. Clean Power Alliance ofrece a los clientes los beneficios compartidos de la administración local, tarifas competitivas y un contenido renovable más alto.

它是如何運作的？

您的社區選擇由清潔電力聯盟為您提供清潔能源新方案。您現在自動獲得由清潔電力聯盟購買的能源，它的可再生能源含量比南加州愛迪生公司（SCE）提供的高，而費用則具有同樣的競爭力。

在您最近一次的電錶讀取日，您被自動登記參加您社區選擇的預設電力方案——可再生能源含量50%的Clean Power（清潔電力），但您可以隨時改選其他方案。

雖然清潔電力聯盟已是您社區的預設電力供應商，但淨用電計量（NEM）用戶加入清潔電力聯盟的登記作業延後到SCE淨用電計量期結束時才開始。

費用是多少？

Clean Power（清潔電力）與SCE的帳單相比大致可節省0-1%。您可以利用我們在cleanpoweralliance.org/compare網頁提供的帳單比較。

我有哪些選擇？

如果您不採取任何行動，您社區預選的方案就是您的電力方案。想選其他方案嗎？沒問題。您可以在任何時候免費變更方案，選用清潔電力聯盟另外兩種費率方案的其中一種：可再生能源含量36%的Lean Power（精益電力）或100%Green Power（綠色電力）。您也可以透過瀏覽cleanpoweralliance.org或致電888-585-3788聯繫我們，決定回到SCE。清潔電力聯盟向客戶提供本地管理、具競爭力的價格，以及更高可再生含量等益處。

如要瞭解詳情，更改方案，或退出服務並回到SCE，請致電888-585-3788 (TTY 323-214-1296) 或瀏覽 cleanpoweralliance.org 與我們聯繫
