I. TASK ORDER SUMMARY
Clean Power Alliance (“CPA”) is seeking proposals from qualified and experienced contractors (individually, a “Proposer” and collectively, “Proposers”) to help maintain CPA’s website, including daily and regulatory updates, and creation of web pages that reflect CPA’s brand and programs.

II. ABOUT CLEAN POWER ALLIANCE
CPA is California’s largest Community Choice Aggregation (“CCA”) program, established in 2017 as a Joint Powers Authority to provide clean energy options at competitive rates to more than 1 million customers. As CPA enters its fifth year of serving customers, the website is key to support the forward momentum and growth of the organization, share critical customer and public information, and increase brand awareness. CPA shares its story, raises its profile, and educates its communities, stakeholders, and the public through the information posted on the website. Since 2018, CPA has invested in its website as a tool to grow enrollment in innovative programs and increase brand awareness and understanding of clean energy through storytelling and highlighting advancements at CPA. These include pages related to the workforce development and the green economy, enhancing community resiliency, customer support services, and providing opportunities with the power of choice where users learn about actively participating in programs, scholarships, projects, and providing feedback.

IX. RESERVATION OF RIGHTS

CPA may, at its sole discretion, accept or reject any or all submittals submitted in response to this task order. CPA also may, in its sole discretion, make no award for this task order or cancel this task order in its entirety. In addition, CPA may, at its sole discretion, only elect to proceed with a task order for some of the services included in this task order. CPA further reserves its right to waive minor errors and omissions in proposals, request additional information or revisions to submittals, and to negotiate with any or all qualified Proposers.

CPA shall not be liable for any costs incurred by the qualified Proposer in connection with the preparation and submission of any submittal. CPA reserves the right to waive inconsequential disparities in a qualified Proposer’s submission. CPA has the right to amend the task order, in whole or in part, by written addendum, at any time. CPA is responsible only for that which is expressly stated in this solicitation document and any
authorized written addenda. Such addendum shall be made available to each person or organization which CPA records indicate has received this task order. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the submittal being found non-responsive and not being considered, as determined in the sole discretion of CPA. CPA is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf. CPA has the right to reissue the task order at a future date.

X. CONFIDENTIALITY AND PUBLIC RECORDS

Proposals submitted for this task order shall become the exclusive property of CPA. CPA is subject to the California Public Records Act ("CPRA"). CPA shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the CPRA or otherwise by law.

In the event CPA receives a CPRA request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Confidential", "Trade Secrets", or "Proprietary", Proposer agrees to defend and indemnify CPA from all costs and expenses, including reasonable attorneys' fees, incurred in connection with any action, proceedings, or liability arising in connection with the CPRA request.

A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of a CPRA exemption, and a Proposer who indiscriminately and without justification identifies most or all of its proposal as exempt from disclosure or submits a redacted copy may be deemed non-responsive.

XI. CONFLICTS OF INTEREST

CPA is governed by the Political Reform Act, Government Code Section 1090, Government Code Section 84308, and other requirements governing conflicts, campaign contributions, and gifts. Proposers are required to review all applicable conflict of interest laws. In addition, CPA has adopted policies governing Proposer conduct. Proposers are advised to review all policies, including the Vendor Communication Policy available here: https://cleanpoweralliance.org/key-documents/.

EXHIBIT D6
CALIFORNIA PUBLIC RECORDS ACT
CALIFORNIA PUBLIC RECORDS ACT ACKNOWLEDGEMENT AND AGREEMENT

The undersigned duly authorized representative, on behalf of (Contractor), acknowledges and agrees to the following:

The contents of its proposal in response to the Task Order solicitation, the contract and any documents pertaining to the performance of the Task Order resulting from this contract are public records, and therefore subject to disclosure unless a specific exemption in the California Public Records Act applies.

If a Contractor submits information it believes are confidential or proprietary, the Clean Power Alliance (CPA) may protect such information and treat it with confidentiality only to the extent permitted by law. However, it will be the responsibility of the Contractor to provide to CPA the specific legal grounds on which CPA can rely in withholding information requested under the California Public Records Act, should CPA choose to withhold such information.

General references to sections of the California Public Records Act will not suffice. Rather, the Contractor must provide a specific and complete legal basis, including applicable case law that establishes the requested information is exempt from the disclosure requirements of the California Public Records Act.

If the Contractor does not provide a specific and detailed legal basis for withholding the requested information within a time specified by CPA, CPA will release the information as required by the California Public Records Act and the Contractor will hold CPA harmless for release of this information.

It will be Contractor’s obligation to defend, at Contractor’s expense, any legal actions or challenges seeking to obtain from CPA any information requested under the California Public Records Act withheld by CPA at the Contractor’s request.

Furthermore, the Contractor shall indemnify CPA and hold it harmless for any claim or liability, and defend any action brought against CPA, resulting from CPA’s refusal to release information requested under the Public Records Act withheld at Contractor’s request.

Nothing in this Agreement creates any obligation for CPA to notify the Contractor or obtain the Contractor’s approval or consent before releasing information subject to disclosure under the California Public Records Act.
