Clean Power Alliance
Non-residential Rates

Effective July 1, 2023

Rates contained in this document are applicable ONLY to non-residential customers receiving service in unincorporated Los Angeles County, Rolling Hills Estates, and South Pasadena.

Rates shown do not include SCE delivery charges, Generation Municipal Surcharge (GMS) or the CCA Customer Responsibility Surcharge (CCA-CRS). Rate information for SCE delivery charges, GMS, and the CCA-CRS, including the Power Charge Indifference Adjustment (PCIA), can be found at www.sce.com.

Introduction

About Our Rates

Clean Power Alliance’s rates are established by its Board of Directors. Any changes to Clean Power Alliance rates will be adopted at duly noticed public meetings of the Board of Directors.

The rates shown in this document are for electric generation/supply only. Please visit SCE.com for delivery rates and schedules.

100% Green Power for CARE Customers in Default Jurisdictions

Some Clean Power Alliance jurisdictions have selected 100% Green Power as their default CPA rate product. Customers in these jurisdictions that participate in California Alternate Rates for Energy (CARE) receive 100% renewable power at a reduced cost.

Clean Power Alliance is committed to giving every customer the opportunity to be a champion for clean energy, as well as ensuring our customers have choices when it comes to their energy needs. At any time, any 100% Green customer can choose to move to our Clean Power option, which provides 50% clean energy content, or our Lean Power option, which provides 40% clean energy content. Customers can change their rate product option by contacting our Customer Service Center at 888-585-3788 or visiting our website at www.cleanpoweralliance.org/rate-options.

1Jurisdictions that have selected 100% Green Power default are Rolling Hills Estates and South Pasenda. Effective October 1, 2023, unincorporated Los Angeles County has selected 100% Green Power as the default CPA rate product for non-residential customers in this jurisdiction.
Rate Definitions

### Rate Key

The name of your Clean Power Alliance rate schedule may not exactly match your SCE rate, as Clean Power Alliance offers simplified, consolidated rate options. This will not impact service, billing, or CARE/FERA status.
